Announcements

This year's banquet favor is provided by the
Poultry Science Association.

AWARDS AND HONORS

The Poultry Science Association recognizes outstanding contributions to the field of poultry science in the acquisition and dissemination of knowledge by researchers, teachers, extension specialists, and graduate students. We gratefully acknowledge the support of our donors. Awards will be announced by the Poultry Science Association President, John Carey.

American Egg Board Research Award

This award is given to increase the interest in research pertaining to egg science technology or marketing that has a bearing on egg or spent hen utilization. The award is given to an author for a manuscript published during the preceding year.

Recipient: Gita Cherian
Award Chair: Richard K. Gast
Board Liaison: Valerie L. Carney

American Feed Industry Association Poultry Nutrition Research Award

This award is given for distinctive work demonstrating sound research in poultry nutrition in the last 10 years.

Recipient: Douglas Korver
Award Chair: Joseph B. Hess
Board Liaison: Michael T. Kidd

Poultry Science Association *Since 1908*

AWARDS AND HONORS

American Poultry Historical Society Award

This award is made to stimulate interest in documenting and recording historical information about the poultry industry development, to preserve artifacts and other items of historical interest to the poultry industry, and to encourage the publication of recorded historical information in papers and books.

Recipient: J. Paul Thaxton
Award Chair: Christine Alvarado
Board Liaison: Christine Alvarado

Embrex Fundamental Science Award

This award is given to recognize outstanding achievement in basic disciplines (genetics; genomics; immunology; molecular, cellular, and developmental biology; physiology, poultry health, and proteomics). This award is given to a PSA member, other than previous recipients of the award, who has made sustained high quality contributions to fundamental science that has advanced the field of poultry science.

Recipient: Sandra G. Velleman
Award Chair: Frederick Silversides
Board Liaison: Mary E. Delany

AWARDS AND HONORS

Evonik Degussa Award for Achievement in Poultry Science

The Evonik Degussa Award is an annual award given as an achievement award (i.e., for distinctive contributions to poultry science advancement) covering a period of not more than seven years preceding the annual award.

Recipient: Jason C. H. Shih
Award Chair: Brian W. Sheldon
Board Liaison: Michael T. Kidd

Hy-Line International Research Award

This award is given to a member who, in the preceding calendar year, as sole or senior author, published outstanding research in poultry science. Winners must have completed their PhD within the previous 10 years.

Recipient: Young Min Kwon
Award Chair: Inmaculada Estevez
Board Liaison: Todd J. Applegate

Poultry Science Association *Since 1908*

AWARDS AND HONORS

Land O'Lakes/Purina Mills Teaching Award

This award is provided in recognition of the fact that excellence in teaching is basic to the future welfare of the poultry industry. It is given to a member who, over several years, has demonstrated outstanding success as a teacher.

Recipient: David J. Caldwell

Award Chair: Michael T. Kidd

Board Liaison: Mary E. Delany

Merial Distinguished Poultry Industry Award

The Merial Distinguished Poultry Industry Career Award is an annual award donated to the Poultry Science Association Foundation on behalf of the recipient award and a plaque provided by Merial Select, Inc. It is given to recognize distinctive, outstanding contributions by an industry leader or leaders. The award is based upon a broad, even nonscientific, contribution to the poultry industry.

Recipient: Donald Dalton

Award Chair: Michael P. Lacy

Board Liaison: Valerie L. Carney

AWARDS AND HONORS

National Chicken Council Broiler Research Award

The Broiler Research Award, instituted by the National Chicken Council, is given for distinctive research work that has a strong economic impact on the broiler industry. Research may be conducted in any major discipline and is evaluated primarily on the economic influence the work has had or will have on the industry. The award is given for research published in the preceding five calendar years.

Recipient: Martin J. Zuidhof
Award Chair: Gene M. Pesti
Board Liaison: Michael T. Kidd

National Turkey Federation Research Award

This award plaque is given for the outstanding record of turkey research published during the six years preceding the year in which the award is given.

Recipient: Sally Noll
Award Chair: Michael S. Lilburn
Board Liaison: Todd J. Applegate

Poultry Science Association *Since 1908*

AWARDS AND HONORS

Phibro Extension Award

This award is given to a member for conducting an outstanding program of work in the area of poultry extension during a five-year period.

Recipient: Casey W. Ritz
Award Chair: Gregory P. Martin
Board Liaison: Randolph D. Mitchell
