The National Breeders' Roundtable is sponsored annually as a non-profit venture of the Poultry Breeders of America and Southeastern Poultry & Egg Association.
# TABLE OF CONTENTS

1. 1993 National Breeders Roundtable Organizing Committee ....................... i

2. 1993 National Breeders Roundtable Speakers ......................................... ii

3. Roster of 1993 National Breeders Roundtable Delegates ........................... iii

## Section 2

The effects of BLUP evaluations, population size and restrictions on selection of close relatives on response and inbreeding in egg-laying poultry  
Dr. John Gibson ..................................................... 1

A selection strategy to keep fertility and hatchability at high levels  
Dr. Robb Gowe ..................................................... 18

Posthatch development of the gastrointestinal tract and other organs of chickens  
Dr. Zafrira Nitsan ................................................... 32

The chicken genetic map and beyond  
Dr. Hans H. Cheng ..................................................... 39

Organization of poultry genome mapping  
Dr. Lyman B. Crittenden ............................................. 55

DNA fingerprints as predictors of heterosis  
Dr. Jan S. Gavora ................................................... 62

Aspects essential to the evaluation of major genes affecting resistance to disease in poultry  
Dr. Werner Hartmann ............................................... 77

Physical map of the chicken: An update  
Dr. F. Abel Ponce de Leon ........................................... 115

Primer on molecular genetics .................................................. 122

Questions to the speakers empaneled to discuss disease and biotechnology ...... 163

Genetic modification of growth and development of poultry: Revisited  
Dr. Guy Barbato ................................................... 166
1993 National Breeders Roundtable
Organizing Committee

Dr. Robert McKay
Shaver Poultry Breeding Farms
Cambridge, Ontario
Canada
Conference Chairman
and Program Organizer

Dr. J. Gerald Herbert
Hubbard Farms
Walpole, New Hampshire
Session Chairman

Dr. Daniel Zelenka
Tyson Foods
Springdale, Arkansas
Session Chairman

Dr. James A. Arthur
Hy-Line International
Dallas Center, Iowa
Session Chairman
and Proceedings Editor
1993 National Breeders Roundtable
Speakers

Dr. Guy Barbato
Penn State University
Department of Poultry Science
University Park, PA 16802

Dr. Hans Cheng
USDA, Avian Disease/Oncology Lab
East Lansing, MI 48823

Dr. Lyman Crittenden
USDA, Avian Disease/Oncology Lab
East Lansing, MI 48823

Dr. Jan Gavora
Centre for Food and Animal Research
Agriculture Canada
Ottawa, Ontario
Canada K1A 0C6

Dr. John Gibson
University of Guelph
Dept. of Animal & Poultry Science
Guelph, Ontario
Canada N1G 2W1

Dr. Robb Gowe
University of Guelph
Dept. of Animal & Poultry Science
Guelph, Ontario
Canada N1G 2W1

Dr. Werner Hartmann
Institut fur Kleintierforschung
Celle/Merbitz, Germany

Dr. Zafira Nitsan
Agricultural Research Organization
50250 Betdagan
Israel

Dr. F. Abel Ponce de Leon
University of Massachusetts
Department of Veterinary and Animal Sciences
315 Paige Laboratory
Amherst, MA 01003
